

# PETROMAR 65

---

## DESCRIPTION

---

PETROMAR 65 is a low detergent system oil commonly used as crosshead engine crankcase oil and in low and intermediate speed engines running under mild service conditions.

## APPLICATION

---

- Crosshead engine crankcase marine lubricant

## GRADE

---

- SAE 30

## AVAILABLE PACKAGES

---

- Bulk
- 200-liter drum
- 18-liter pail

## TYPICAL CHARACTERISTICS

---

Specific Gravity at 15.6°C	0.8899
Flash Point, COC, °C	248
Color, ASTM	<4.0
Viscosity at 40°C, cSt	105.0
Viscosity at 100°C, cSt	11.96
Viscosity Index	103
Pour Point, °C	-9
TBN, mg KOH/g	6
