

# PETROGREASE PREMIUM

## DESCRIPTION

PETROGREASE PREMIUM is a high quality, smooth-textured, short-fibered multipurpose lithium soap grease. It is structurally modified to make it superior to other lithium greases. It is suitable for lubricating automotive, industrial, marine and railroad equipment under normal loads. It can tolerate occasional high operating temperatures of up to 160°C or continuous high temperature of 150°C with frequent relubrication.

## PROPERTIES

- Excellent resistance to degradation due to oxidation
- Mechanical stability
- High water resistance
- Corrosion-inhibiting property
- Enhanced with lemon scent

## TYPE

- Lithium soap multipurpose grease

## APPLICATION

- Plain and anti-friction bearings in steel mills, paper mills, electric motors and generators, pumps, conveyors, compressors, machine tools, gears and couplings, automotive and marine equipment

## GRADES

- NLGI No. 2 and 3

## AVAILABLE PACKAGES

- 400-lb (181-kg) drum
- 35-lb (16-kg) pail
