

SPRINT 4T ENDURO

DESCRIPTION

SPRINT 4T ENDURO is a premium multi-grade engine oil specifically formulated for four-stroke motorcycles equipped with either wet or dry clutch system to provide maximum engine protection, while at the same time offering reliable transmission performance. This product meets the requirements of high-performance four-stroke motorcycles operating under severe driving conditions.

PROPERTIES

- With TCS or Thermal Control System to enhance the oil's thermal stability, volatility profile and oxidation stability.
- Excellent shear stability to resist thinning and breakdown under high shear stresses which occur at high rotational speeds typically experienced in motorcycle racing.
- Reliable wet clutch friction for good clutch engagement and operation.
- Meets the requirements of API SJ, JASO MA, SAE J300 20W-50.

TYPE

- Multi-grade four-stroke motorcycle oil

APPLICATION

- Four-stroke motorcycle engines

QUALITY LEVELS

- API SJ
- JASO MA
- SAE 20W-50

AVAILABLE PACKAGES

- Bulk
- 200-liter drum
- 24 x 1-liter in carton

TYPICAL CHARACTERISTICS

Specific Gravity at 15.6°C	0.8894
Flash Point, COC, °C	226
Color, ASTM	4.5
Viscosity at 40°C, cSt	158.8
Viscosity at 100°C, cSt	17.93
Viscosity Index	125
Pour Point, °C	-12
Total Base Number, mg KOH/g	6.6
