

ULTRON EXTRA

DESCRIPTION

ULTRON EXTRA with TS³ is an affordable, all-purpose multi-grade motor oil that provides engine protection against sludge, rust and wear. It is recommended for gasoline engines used in moderate operating conditions such as stop-and-go driving and short trips. It is also used in diesel engines.

The Thermal Stress Stabilizing System (TS³) keeps the oil stable even at extreme temperatures, providing ultimate protection from engine stress.

PROPERTIES

- Provides anti-wear protection for cylinder rings, liners and valve trains
- Contains additives for better protection against sludge, varnish, rust, wear and high temperature thickening

GRADE

- SAE 20W-40

APPLICATION

- For gasoline and diesel engines

QUALITY LEVEL

- API Service SF/CC

AVAILABLE PACKAGES

- 200-liter drums
- 18-liter pails
- 6 x 4 liters in cartons
- 24 x 1 liter in cartons

TYPICAL CHARACTERISTICS

Specific Gravity at 15.6 °C	0.8784
Flash Point, COC, °C	246
Color, ASTM	2.5
Kinematic Viscosity at 40°C, cSt	122.0
Kinematic Viscosity at 100°C, cSt	14.71
Viscosity Index	123
TBN, mg KOH/g	4.0
