

# MARINE HD OIL

---

## DESCRIPTION

---

**Marine HD Oil** is a marine oil specially formulated and designed as a crankcase oil for in-board engines of small fishing boats and bancas, operating under mild to moderate service conditions. **Petron Marine HD Oil** also provides adequate alkalinity and detergency for engine applications requiring low sulfur diesel fuel.

## PROPERTIES/BENEFITS

---

- Contains detergents to control corrosive wear ensuring longer engine service life
- Excellent thermal and oxidation stability for extended oil drain interval leading to lower operating costs
- Excellent water shedding property that keeps the oil clean and free of contamination

## GRADES

---

- SAE 30 and 40

## QUALITY LEVEL

---

- API Service CC/SD

## APPLICATIONS

---

- In board engines used in moderate service conditions such as small fishing boats and bancas

## AVAILABLE PACKAGES

---

- 24 x 1 liter in carton

## TYPICAL CHARACTERISTICS

---

	<b>30</b>	<b>40</b>
Specific Gravity at 15.6 °C	0.8794	0.8849
Flash Point, COC, °C	238	258
Color, ASTM	1.5	1.5
Viscosity at 40 °C, cSt	106.4	136.6
Viscosity at 100 °C, cSt	11.97	14.35
Viscosity Index	101	103
TBN, mg KOH/g	4.5	4.8
